

DRINK

Our coffee is from our friends over at Stewarts of Trent Bridge, they're only based in Nottingham and we are as mad about

their coffee as they are! Our milk is from Duffield Dairy and we like to use their whole milk for our hot drinks and we steam it to around 60 degrees, but please ask if you fancy it an alternative way. We also stock a **Gluten Free Oat milk, Semi-skimmed milk and Soy milk** on request, and we won't be charging you more for it!
